AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

IN THE CLAIMS:

✓
Please cancel without prejudice or disclaimer claims 22-26, 28-34 and 36-41.

Please add new claims as follows:

B¹ ~~47~~ (New) An oral pharmaceutical composition for delivery of one or more amphetamine base salts comprising an immediate release dosage form containing a dosage amount of said one or more salts effective to treat ADHD in a human patient, and a second dosage form containing a dosage amount of said one or more salts effective to treat ADHD in a human patient which has a release onset lag time sufficient that the plasma concentration/time profile of said composition is substantially the same as that of Figure 7, adjusted proportionally for said dosage amounts.
